LOOK

The Race Department versions of the PX binding have metal housings, a shorter hole pattern and forward pressure is adjusted by a micro-drive screw system. All 2010-11 Dynastar adult racing skis are only compatible with the PX Racing.

C1070 PX RACING 18 MAXFLEX:

- DIN 10-18
- Single pivot toe

C1090 PX RACING 15 MAXFLEX:

- DIN 8-15
- Single pivot toe

C1110 PX RACING 14:

- DIN 5-14
- Dual-action toe

C1120 PX RACING 12:

- DIN 3.5-12
- Dual-action toe

The PX binding is a high performance junior race binding. This binding should be used with Team Course Comp and Team Omeglass WC skis.
